Take a calm minute.

Thirty-two detailed scenes of Tidbit and Sugarfoot in cozy, quiet places: a lighthouse, a treehouse, a rainy window, a night garden, a sleepy town, a carnival, a snow globe and more.

Inside: a meet-the-friends page, a color-test page, patterns and mandalas to fill, tiny hidden hearts and paw prints to find, a short calm prompt on every page and a certificate at the end.

Color a whole scene, or just one pattern. Every picture has a blank page behind it, so markers will not soak through.
