Pick up a crayon.

Thirty-two big, bright pictures of Tidbit and Sugarfoot, the two best friends from the Frequency Buddies books: zooming, hugging, splashing in puddles, flying a kite, blasting off in a rocket and tucking in for the night.

Inside: a meet-the-friends page, a color-test page, find-it games (find the hearts, the bones, the ball), a short joke from the pups on every page and a Great job certificate at the end.

Every picture is on its own page with a blank page behind it, so markers will not soak through. Lines are thick and clear, with plenty of room for crayons.
