SPREAD LOVE & ACCEPTANCE

Every workpaper from the Spread Love & Acceptance books, on big pages with room to write. Inside are blank copies of all ten: a quick check of how much you're carrying, a calm-down kit you make on a calm day, a self-check before you reply to something that stung, a 90-second daily check-in, a one-week log of who did what, a list that gives every job one owner, a monthly look-back, and more. Each one starts with a short page that says when to use it, how long it takes, who fills it in and which book explains it. Then come spare copies for the weeks ahead, a planner for the six-week program and pages for your own notes. The sheets describe what happened, never who someone is. Every form is also free to print or fill in online; this book simply puts them all in one place.
